

Are you still searching for your favorite Delfa Rolls? Or do you remember them as Danish Ribbons? These delectable licorice rolls have been missing from store shelves since 2003. Back in the sixties the original brand of strawberry licorice rolls was named Broadway Rolls. Because we like to keep a good thing going, our company purchased the brand. After years of searching, we are now able to produce the rolls to our meticulous standards. We even improved the flavor! Broadway Rolls are now available in Black Licorice and Strawberry. I hope you will enjoy these tasty treats as much as I do.

A Message to Our Customers

We would like to take this opportunity and thank you for your interest in our product line. We trust that you will be pleased with our wide variety. To our existing customers, thank you for your support. To our new customers, welcome aboard!

Our extensive line of licorice includes sweet to salted and even double salted. You will find licorice products from Holland (K&H), Finland (Finnska), and England (All Sorts and Pontefract Cakes their #1 seller). Even our Winegums from Holland adhere to our logo of "Licorice & More" in our attempt to satisfy an array of tastes.

Thanks to our licorice expertise we have been able to continually expand our line. We have found Dutch factories that produce some of our most unique items such as: Licorice Laces, Dusted Licorice which is dusted with licorice root powder, Licorice Cubes (Griotten), Dutchies (Zaanse Drop) and Licorice Pastilles.

Our company has been in business for over 30 years and our goal has always been customer satisfaction. We hope that you enjoy perusing our selection of high quality products and we look forward to doing business with you!

With kindest regards,

Gerrit J. Verburg
